

# CORRIGENDA.

I am indebted to Mr. G. R. Gray for the following remarks and corrections:—

- Page 13, to *Milvago ocreocephalus*, *Spix.* add  
*Polyborus ocreocephalus*, *Jard. & Selby's Ill. t. 5.*
- Alter 7, 8, 9, & 10, to 5, 6, 7, & 8.
- Page 15, *Milvago leucurus*, add  
*Falco Australis*, *Jard. & Selby's Ill. Orn. n. s.*  
 pl. 24.
- Page 49, *Serpophaga*, *Gould*, is probably synonymous with  
*Euscarthmus*, *Pr. Mar.*
- Page 56, *Agriornis*, *Gould*, is synonymous with *Dasycephala*  
 of Swainson, and *Tamnolanus*, of Lesson; the  
 species therefore should be  
 sp. 1. *D. lividus*, *G. R. Gray.*  
*Tamnophilus lividus*, *Kittl. Voy. de Chili*, pl. 1.  
*Tyrannus gutturalis*, *Eyd. & Gerv. &c.*
- sp. 2. *D. striata*, *G. R. Gray.*  
*Agr. striatus*, *Gould.*  
*Agr. micropterus*, *juv. Gould*, sp. 3.
- Page 57, sp. 4. *D. maritima*, *G. R. Gray.*  
*Agr. maritimus*, *G. R. Gray, &c.*
- Page 66. The generic appellation of *Opetiorhynchus*, was  
 adopted after the subjection of Mr. Gould; since  
 its publication, however, I have considered that it  
 might cause confusion with *Furnarius*, of Vieillot,  
 as it is Temminck's name for the identical same  
 division, therefore only a synonym, and am on
- that ground induced to change and propose the  
 name of *Cinclodes*, which has been adopted by a  
 Continental writer. The species should be altered  
 thus:—
- Page 66, Sp. 1. *Cinclodes vulgaris*, *G. R. Gray.*  
 Page 67, sp. 2. *C. Patagonicus*, *G. R. Gray, List of the*  
*Genera of Birds.*  
 sp. 3. *C. antarcticus*, *G. R. Gray.*  
*Cinclodes fuliginosus*, *Less.*
- Page 68, sp. 4. *C. nigrofumosus*, *G. R. Gray.*
- Page 69, *Eremobius*, being previously employed, it is changed  
 to *Enicornis*, *G. R. Gray.* The species to  
*En. phoeniceus*, *G. R. Gray, List of the Genera*  
*of Birds.*
- Page 70, *Rhinomya*, being also previously employed; it is  
 therefore changed to *Rhinocrypta*, *G. R. Gray.*  
 The species to  
*R. lanceolata*, *G. R. Gray.*
- Page 76, for *Synallaxis major*, *Gould*, read *Anumbius acuti-*  
*caudatus*, *G. R. Gray.*  
*Furnarius annumbi*, *Vieill.*  
*L'Anumbi*, *Azara*, No. 222.  
*Anthus acuticaudatus*, *Less.*  
*Anumbius anthoides*, *D'Orb. & Lefr.*
- Page 94, *Fringilla fruticeti*, *Kittl.* gives place to  
*Fringilla erythrorhyncha*, *Less. Voy. Thetis. ii. p. 324.*
